March 21, 2013

FREDERICK A. HODNETT JR, TREASURER
POWELL FOR CONGRESS
421 BRANCHWAY ROAD
RICHMOND, VA 23235

Response Due Date**04/25/2013**

IDENTIFICATION NUMBER: C00497289

REFERENCE: AMENDED 30 DAY POST-GENERAL REPORT (10/18/2012 -
11/26/2012), RECEIVED 01/25/2013

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 3 item(s):

1. Your report fails to provide proper election designations for contributions disclosed on Schedule A supporting Lines 11(a)(i) and 11(a)(ii). Authorized committees should indicate the election for which the contribution was designated. If no election is designated, the contribution is applied to the next election for the federal office the candidate is seeking after the contribution date. Please be advised that incorrect election designations may result in excessive or impermissible contributions. Please amend your report to clarify election designations "O2012, Debt Other" and "O2014, Debt Other." (11 CFR §§ 110.1(b) and 110.2(b))
2. Schedule A of your report discloses one or more contributions that appear to exceed the limit set forth in the Act (see attached).

No political committee other than a qualified multi-candidate committee may make contributions to a candidate for federal office in excess of \$2,500 per election. The "Culpeper County Democratic Committee PAC" did not meet the requirements for qualified multi-candidate status as of the date the contribution(s) was made to your committee. The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (2 U.S.C. § 441a(a) and (f); 11 CFR § 110.1(b))

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with the clarifying information.

If any contribution(s) you received exceeds the limits, you may have to refund the excessive amount. The funds can be retained if, within 60 days of receipt, the excessive amount is properly redesignated for a different election. An excessive contribution is considered properly redesignated if (1) the committee obtains signed written documentation from the contributor(s) authorizing the redesignation of the contribution for another election, provided that the new designation does not exceed the limitations on contributions made with respect to that election; or (2) the committee redesignates by presumption the excessive portion of the contribution for another election provided that the new designation does not exceed the limitations on contributions made with respect to that election. In this case, the treasurer must notify the contributor of the redesignation in writing within 60 days of the treasurer's receipt of the contribution. The notification must give the contributor an opportunity to request a refund. (11 CFR § 110.1(b)(5)(ii)(B)) A contribution can only be redesignated to a previous election to the extent that the contribution does not exceed net debts outstanding for that election. (11 CFR § 110.1(b)(3)(i))

If you have not already done so, please inform the Commission of your corrective action immediately in writing and provide photocopies of any refund checks and/or letters redesignating the contributions in question. Refunds are reported on Line 20(a), (b), or (c), as applicable, of the Detailed Summary Page and on a supporting Schedule B of the report covering the period in which they are made. Redesignations are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation is received. (11 CFR § 104.8(d)(2), (3) and (4))

Although the Commission may take further legal action concerning the acceptance of excessive contributions, your prompt action to refund or redesignate the excessive amount will be taken into consideration.

3. Schedule A of your report indicates that your committee may have failed to file one or more of the required 48-hour notices regarding "last minute" contributions received by your committee after the close of books for the 12 Day Pre-General Report (see attached). A principal campaign committee must notify the Commission, in writing, within 48 hours of any contribution of \$1,000 or more received between two and twenty days before an election.

These contributions are then reported on the next report required to be filed by the committee. To ensure that the Commission is notified of last minute contributions of \$1,000 or more to your campaign, it is recommended that you review your procedures for checking contributions received during the aforementioned time period. The failure to file 48-hour notices may result in civil money penalties or legal enforcement action. If any contribution of \$1,000 or more was incorrectly reported, you must amend your original report with the clarifying information. (11 CFR § 104.5(f))

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.

If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1138.
