Response Due Date
07/20/2021

IDENTIFICATION NUMBER: C90016627

REFERENCE: OCTOBER QUARTERLY REPORT (07/01/2020 - 09/30/2020)

Dear Filer:

This letter is prompted by the Commission's preliminary review of the Report of Independent Expenditures Made and Contributions Received (FEC Form 5) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** Additional information is needed for the following 6 item(s):

1. On Schedule 5-E of this report, you have not itemized all of the necessary independent expenditure information. Proper disclosure requires the full name and address of the payee, the date, the amount, the aggregate calendar-year-to-date total, the purpose, the election, and the name, office sought, state, and district of the federal candidate supported or opposed by the expenditure. Please amend your report to include the address of the payee. (11 CFR § 109.10(e)(1))
2. You filed 48 hour report(s) informing the Commission of independent expenditures made in support or opposition of federal candidates with multiple vendors as the payees. However, the amounts and dates of public dissemination disclosed on these report(s) do not appear to correlate with the entries on Schedule 5-E of your quarterly report covering the applicable period. If you have filed 48 hour report(s) supporting independent expenditures not reflected on your quarterly report, you must amend your quarterly report for the appropriate reporting period to disclose these payments on Schedule 5-E. Please amend your report(s) to clarify this discrepancy and provide further information concerning these report(s). (11 CFR §109.10)
3. It appears that 48-hour report(s) for the attached independent expenditures was filed late. Please be advised that you are required to file 48-hour reports once you make independent expenditures aggregating \$10,000 or more with respect to

a given election any time during the calendar year up to and including the 20th day before the election. The report must be received at the Commission 11:59 p.m. Eastern Standard/Daylight Time by the second day after the communication was publicly distributed or otherwise disseminated. In the report, you must include information for all independent expenditures that have not been previously reported. Each time you make subsequent independent expenditures relating to the same election that aggregate \$10,000 or more, you must file another 48-hour report disclosing these independent expenditures. (11 CFR § 109.10(c) and (e)) Please provide clarification regarding the timeliness of your 48-hour reporting for the independent expenditures in question. Further, if the date disclosed on your Form 5 was the date of payment, rather than the date of public dissemination or distribution, please provide the date of dissemination or distribution.

In addition, please be advised that you are required to disclose these independent expenditures, along with contribution and disbursement information, on Form 5 as a regularly scheduled quarterly report. (11 CFR § 109.10(b) and (e))

4. Your 48-hour reports, filed on multiple dates, disclosed independent expenditures that do not appear on Schedule 5-E of your quarterly filing (see attached). Please amend your report to include these expenditures or provide an explanation of this apparent discrepancy. (11 CFR § 109.10(b))

5. Your quarterly report discloses independent expenditures that do not appear on 24 or 48-hour reports (see attached).

Please be advised that Commission Regulations require that you file 48-hour reports once you make independent expenditures aggregating \$10,000 or more with respect to a given election during the calendar year up to and including the 20th day before the election. The report must be received at the Commission 11:59 p.m. Eastern Standard/Daylight Time by the second day after the communication was publicly distributed or otherwise disseminated. In the report, you must include information for all independent expenditures that have not been previously reported. Each time you make subsequent independent expenditures relating to the same election that aggregate \$10,000 or more, you must file another 48-hour report disclosing these independent expenditures. (11 CFR § 109.10(c) and (e))

In addition, you are required to file 24-hour reports once your independent expenditures aggregate \$1,000 or more after the 20th day but more than 24 hours before 12:01 a.m. of the day of the election. The report must be received at the Commission by 11:59 p.m. Eastern Standard/Daylight Time of the day following

the date on which the communication was publicly distributed or otherwise disseminated. In the report, you must include information for all independent expenditures that have not been previously reported. Each time you make subsequent independent expenditures relating to the same election that aggregate \$1,000 or more, you must file another 24-hour report disclosing these independent expenditures. (11 CFR § 109.10(d) and (e))

Please provide clarification regarding whether 24 or 48-hour reports were required but not filed. If the date disclosed on your Form 5 was the date of payment, rather than the date of public dissemination or distribution, please provide the date of dissemination or distribution.

6. Line 7 of your FEC Form 5 filing discloses disbursements made for independent expenditure(s). Your filing also discloses contributions on Line 6, "Total Contributions."

Each person (other than a political committee) who made a contribution(s) to your reporting entity during this reporting period, whose contribution(s) had an aggregate amount in excess of \$200 within the calendar year, must be itemized on Schedule 5-A, including their identification information, date, and amount of such contribution(s). In addition, **memo text** must be used to indicate which of these persons made a contribution in excess of \$200 to your reporting entity for the purpose of furthering any independent expenditure. (52 U.S.C. §§ 30101(13) and 30104 (c)(1), (c)(2)(C)) (See <https://www.fec.gov/updates/fec-provides-guidance-following-us-district-court-decision-crew-v-fec-316-f-supp-3d-349-dc-2018/>.)

Please amend your report to include memo text or provide clarifying information.

Please note, you will not receive an additional notice from the Commission on this matter. Requests for extensions of time in which to respond will not be considered. Failure to comply with the provisions of the Act may result in an enforcement action against the entity. Any response submitted by your entity will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
