Dear Mr. John Gibson,

The Campaign for Working Families (FED ID# C00325076) is in receipt of your letter dated August 29, 2002, referencing activity for the April 2002 reporting period.

The Committee has addressed the issue of occupation and employer information in several previous responses. Once again, enclosed please find a sample committee solicitation. This solicitation, like all our solicitations, informs the donor that the committee is required to report the information, and asks that the donor provide it.

In addition, please find another sample of the letter we send to those donors whose contributions exceed \$200, but who do not provide us with their occupation and employer information when they send their contribution. We believe that this follow-up letter, which is sent out within thirty days of receipt of the contribution fulfills the "stand alone" provision in the regulations. A pre-addressed envelope (sample enclosed) is included with each follow-up request. All such information received is reported. In this manner, the committee believes that it is meeting the best efforts provisions outlined in your letters.
