Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Your amended report discloses an increase in receipts totaling \$12,500 from the amounts disclosed on your original report. Please amend your report or provide clarifying information as to why this activity was not disclosed on your original report. (11 CFR § 104.3)

The Commission notes the memo text attached to your report stating, "In response to RFAI dated November 17, 2022 . After careful review of when checks were actually received by the campaign, we are amending to add contributions that were reported erroneously for January 15th, 2022 that should have been entered for actual date of December 31st, 2021. Employees of Northrop Grumman \$2500, General Dynamics Corporation PAC \$5000, and Motorola Solutions Inc. PAC \$5,000 were the contributions moved to correct dates. COH and all summary pages have been updated to reflect change." Although the Commission may take further legal action concerning this matter, your clarification and any additional clarification you may have will be taken into consideration. 11 CFR §104.3

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an
