Transaction ID:

An anomaly with the June payroll deductions caused certain individuals' contributions to not properly aggregate on line 11a, though the correct total contributions were reported. Only one contributor, Marshall Cohen, should have itemized to 11a on the July 20th report but did not in the original filing. This issue was recognized and corrected before the August 20th report was filed and the problem has been permanently resolved. Furthermore, the original filing of the July 20th report also disclosed two \$1,000 contributions on 6/28/07 to Craig for US Senate. These transactions reflect a data entry error, and were not actual disbursements to the Craig for US Senate committee. Therefore, the Nuclear Energy Institute PAC has made a total of \$1,500 to the Craig for US Senate committee, and not the previously reported \$3,500.
