On 8/14/2016, we received an RFAI from the FEC to respond to inquiries about excessive contributions from committees and individuals. We have filed amended reports with memo texts explaining the amended data and we have also listed a summary below of how each item in the RFAI was addressed by our committee.

1.American Health Care Association PAC exceeded its contribution limit to the 2016 Convention by \$2,500. We have issued a refund check in the amount of \$2,500 (dated 9/19/2016) which will be reflected in our October 2016 Quarterly Report.

2.The Employees of Northrop Grumman Corporation PAC contributed \$1,000 on 11/6/15 towards the 2016 General Election. However, as the result of a data entry error, we designated this contribution towards the 2016 Convention. We have amended the 2015 Year End report to reflect the correct designation of the contribution.

3.Fred Lampropoulus contributed \$2,600 on 3/31/2016 towards the 2016 General Election. However, as the result of a data entry error, we designated this contribution towards the 2016 Primary. We have amended the Q1 report to reflect the correct designation of the contribution.

4.Bill Simmons contributed \$500 on 2/4/2016 towards the 2016 General Election. However, as the result of a data entry error, we designated this contribution towards the 2016 Convention. We have amended the Q1 report to reflect the correct designation of the contribution.
