Reference: Amended October Monthly (9/1/10-9/30/10), received 11/18/10

Dear Mr. Norfleet:

This letter is in response to your request for additional information, dated March 15, 2011.

1 & 2. Your letter notes that the amended report included additional receipts and disbursements not included on the original filing. As was noted on the original filing, the reporting software was not functioning properly on the day of filing and various transaction were not included on the original report. The Committee notified the FEC by telephone as well that the report would be amended to include additional transactions. The Committee filed the amendment as soon as it was able to correct all data.

3. As is referenced above, the filing software has had various issues, especially related to the filing of earmark transactions. The October monthly report has been amended to include the earmarked transactions for Friends of Mike Lee on schedule B.

Sincerely,  
Lisa Lisker
