Reference: Amended Year End Report (12/1/93-12/31/93) dated
2/24/94

Dear Mr. Baker:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-The beginning cash balance of this report should equal the ending balance of your December Monthly report. Please clarify this discrepancy and amend any subsequent report(s) that may be affected by this correction.

-Your amended Year End Report included changes or corrections to errors that occurred in previous monthly reporting periods. Please be advised, errors, omissions, and incomplete information must be corrected or supplied by amending the original report in which the correction is required. Failure to correct the original report will create difficulties in accounting for cash flow from one report to another. In addition, all subsequent report(s) that are affected by this correction must be amended also. Please amend your report(s) accordingly.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.

Sincerely,
