Dear Mr. Trash:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-On Schedule H2 of your report, you have disclosed a fundraising event which is listed as 100% non-federal. A Committee is permitted to pay the entire amount of an allocable activity from its federal account and receive a transfer(s) from its non-federal account solely to cover the non-federal share of the allocable expense(s). 11 CFR §106.5(g)(i). However, a 100% non-federal fundraising event does not fall within the definitions of an allocable expense, and would constitute an impermissible transfer if funds are received by your federal account from your non-federal account. Please amend your report to correct this discrepancy.

-Your report disclosed a category of financial activity that has been reflected on the wrong line of the Detailed Summary Page. In-kind contributions to federal candidates should be properly disclosed on a separate Schedule B, supporting Line 23 of the Detailed Summary Page. Please refer to the instructions contained on the forms to determine the proper categorization when preparing your next filing.

Any amendment or clarification should be filed with the Federal Election Commission. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.

Sincerely,
