Re: Year End Report (07/1/13 - 12/31/13)

Dear Mr. Morse:

In response to your letter dated March 18, 2014, concerning Justice PAC's reporting of unitemized contributions, I have checked our records and determined that all donors whose aggregate contributions were greater than \$200 during the second half of 2013 were itemized on Schedule A of the above referenced report. Therefore, the amount of unitemized contributions reported on our Year End Report contained only those donors whose contributions either individually or in the aggregate were \$200 or less.

I hope this clarifies any questions you had concerning our report.

If you have any other questions concerning our report, I will be happy to respond.

Treasurer
