RE: Campaign Contribution

To Whom It May Concern:

On March 8, 2007 the 21st Century Majority Fund issued a check in the amount of \$5000 to the Chambliss for Senate campaign's 2008 Primary election. The 21st Century Majority Fund contributed an additional \$5000 to the campaign on October 12, 2007, which exceeds the limit a PAC can contribution to a candidate's campaign committee. Since the contribution was not redesignated to General election by the 21st Century Majority Fund within 60 days from the time of receipt we must request a refund of the excessive contribution.
