

In response to the August 22, 2008 letter, an amended Statement of Organization was filed to today to change the name of the separate segregated fund to "FMC Technologies, Inc. Employee Political Action Committee." In addition, the committee would like to clarify that the John Bean Technologies Corp. PAC is no longer an affiliated committee and not included in the amended Statement of Organization filed 8/6/08 because effective 7/31/2008, FMC Technologies, Inc. completed the spin-off of its Food Tech and Airport Systems businesses into a publicly-traded company named John Bean Technologies Corporation. John Bean Technologies Corporation became the connected organization for John Bean Technologies Corp. PAC.
