Dear Mr. Buckley:

I am writing in response to your letter from November 28, 2008. I have amended the 2008 October Quarterly report to address the errors you have found in it. The errors are due to my using separate FECfile files for filing reports up till the July 2008 quarterly, and subsequent reports, because one file, at one point, was impossible for me to open. One of my files contained the wrong figure for the April 2008 quarterly report, although the file that I ultimately sent to the FEC had the correct figure. I've addressed that imbalance and, therefore, fixed the errors you detected in my 2008 October Quarterly report.

I have also noticed that I have not listed any Banks in my Form 1; I have therefore also uploaded an amended Form 1 to reflect the use of PNC Bank, which occurs as several entries in my transactions. I have therefore included all those entries that have an address, although they are all the same bank. My amended Form 1 should also reflect that the PAC's physical address should be my address in New York.

Thank you very much for bringing these matters to my attention. Please let me know if you have any further questions.

Sincerely,

Jing-Li Yu
80-20 PAC,
Treasurer
