Lori Saldana for Congress
FEC I.D. #C00500504

Reference: April Quarterly Report (1/1/12-3/31/12)
Response to FEC Letter Dated 6/13/12

The expense was reported on Schedule D because it was in excess of \$500. However, it was reimbursed within 30 days and the payment was disclosed on the Pre-Primary Report for the period 4/1/12-5/16/12. I spoke with Bradley Matheson and he said this response was adequate requirement for the additional request.
