In response to your letter dated June 9, 2004 in regard to Amended Mid-Year Report (1/01/03-6/30/03), received 1/30/04, an Amendment has been filed which partially corrects mistakes identified in said letter.

FEC-125135 corrects the following issues:

-Line 11(a)(i) of the Detailed Summary Page now discloses \$912,416.00, as does the total of the itemized entries on Schedule A

-Line 11(c) of the Detailed Summary Page now discloses \$398,750.00, as does the total of the itemized entries on Schedule A

-Itemized Disbursements now include a more detailed description of why the disbursements were made

-All earmarked contributions have been disclosed as memo entries on Schedules A and B

However, we are still in the process of correcting contributions itemized on Schedule B supporting Line(s)23, to include full name, address, office sought and state congressional district. Another amendment will be filed as soon as these corrections have been made.

Thank you
