In response to the RFAI dated January 3, 2021, Women for American Values and Ethics PAC (AKA WAVE PAC) recognizes that they inadvertently did not report three expenses related to independent expenditures. WAVE PAC has amended their 48 Hour Report previously filed on October 5, 2020 to include the three unreported independent expenditures mentioned in the RFAI (dissemination dates 9/24/20, 10/1/20, 10/5/20).

Per discussions with the FEC RAD analyst, the October 13, 2020 IE's mentioned in the RFAI did not meet the required \$10K threshold through October 13, 2020 to warrant a 48 Hour Report. WAVE PAC correctly filed these two IE expenses on their Pre-General Report.
