Brandeis Zehr  
Federal Election Commission  
Washington, DC 20463

Dear Ms. Zehr:

I am writing to respond to your letter seeking clarification on the administrative expenses incurred by The Commonwealth PAC during the year end reporting period for 2005 (7/1/05 - 12/31/05).

The Commonwealth PAC did not maintain a physical office address during the reporting period in question. The PAC did maintain a P.O. Box to receive mail. The P.O. Box, which is located in Birmingham, MI, was rented with PAC funds that were reported during the period ending 6-3-0-05

You also inquired about salaries paid to employees of the PAC, office equipment ,and supplies and telephone services. The PAC did not have any employees during the reporting period in question. The PAC did, however, procure the services of two consultants in 2005. Navigators, LLC was paid \$9,200. SJZ, LLC was paid \$5,000. Both of these expenditures were reported during the year end filing period.

The Commonwealth PAC paid \$91.34 to Cingular Wireless during the reporting period ending 6-30-05 to cover cell phone services used in conjunction with PAC activities. The PAC also spent funds to purchase some general office supplies and a tape recorder at Staples in Southfield Michigan. This expenditure was reported during the period ending 6-30-04.

In 2004, The Commonwealth PAC purchased some letterhead, envelopes and other identity materials from JDK Marketing and Public Affairs. These expenditures which totaled \$394.68, were reported in 2004. There has not been a need to purchase additional identity materiall yet.

Sincerely,

Trent Wisecup  
Treasurer
