Except as specifically identified, no expenditure was made on behalf of a specifically identified federal candidate, and no expenditure was for a public communication that referred to a clearly identified candidate for Federal office and that promoted, supported, attacked or opposed any such candidate for Federal office. Except as specifically identified, no expenditure was for a public communication or voter drive activity containing express advocacy or that referred to a clearly identified candidate for Federal office and that promoted, supported, attacked or opposed any such candidate for Federal office. No employee of the Committee spent more than 25% of compensated time during any month within the reporting period engaged in Federal Election Activity. Payments for salaries and related fringe benefits disclosed on Schedule H4 are for employees who spent less than 25% of their time engaged in activities in connection to any federal election. Expenditures to individuals disclosed as rent that do not have a subsequent memo itemization represent rent income to those individuals and require no further itemization. The Committee uses the Escrow option for receipt of corporate in-kind donations as provided for by the Commission in Advisory Opinion 1992-33. This method ensures that prohibited sources are not used to fund the federal share of allocable activity expenses. During this reporting period, the Committee supplemented the escrow balance by \$5,000.00 and accepted \$6,231.17 in corporate administrative in-kind donations which did not have a specific transfer made prior, instead relying on the escrowed funds. The federal portion of these in-kind donations is \$2,243.22. The escrow balance at June 30, 2015 is \$20,960.66.

**RATIOS FOR ALLOCABLE FUNDRAISING EVENTS AND DIRECT CANDIDATE SUPPORT  
ACTIVITIES APPEARING ON THIS REPORT.**

Methods of allocation:

- I. FUNDRAISING activities are allocated using the "funds received method" where the federal proportion of expenses must equal the federal proportion of monies raised.
- II. Shared **DIRECT CANDIDATE SUPPORT** activities are allocated according to benefit expected to be derived, where the federal proportion of disbursements is based on the benefit derived by federal candidates from the activity. **For PACs Only:** Direct candidate support includes public communications or voter drives that refer to both federal and nonfederal candidates, regardless of whether there is a reference to a political party. Such expenses are allocated using a time/space method.
