Reference: Year End Report (11/26/02-12/31/02)

Dear Mr. Avella:

On April 9, 2003, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your April 24, 2003 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Your report discloses a transfer(s) to the NYRSC Reporting Account which appears to be a non-federal account of your committee. 11 CFR §§106.5 and 106.6 prohibits a committee's federal account from reimbursing its non-federal account for shared allocable expenses. Also, the non-federal account is prohibited from paying the federal account's share of these expenses. These types of costs must be paid according to the allocation ratio derived from the appropriate method on Schedule H1.

If the transfer(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If your non-federal account has paid any expenditures which should have been allocated, you are advised to correct any non-compliance with 11 CFR §106.5 and 106.6 and establish procedures to insure future compliance with allocation regulations.

Although the Commission may take further legal action regarding this improper allocation activity, your prompt action will be taken into consideration.

An adequate response must be received at the Commission by May 28, 2003. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions related to this matter, please contact Alissa Sagri on our toll-free number (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division) or our local number (202) 694-1130.

Sincerely,

John D. Gibson
