Dear Ms. Winship:

This letter is in response to your letter dated September 5, 2007 concerning our contributions to the Stevens for Senate 2008 general election campaign. As a consequence of your letter, we have requested and have received an expeditious refund of \$3,500 from Stevens for Senate 2008 general election fund. As required, we will report the refund on Schedule A, supporting line 16, in our next report covering the period July to December 2007. Additionally, we have mailed to your office copies of the refund request letter, the refunded check, and the deposit slip dated 9/18/2007. These materials serve to support our official response to the Commission today, which is provided via electronic means per federal regulations.

The total amount contributed to the Stevens for Senate 2008 election cycle by the Oshkosh Truck Corporation Employees Political Action Committee was \$10,000. The excess you have identified for the general election was a reporting error, not an attempt to exceed the general election limitation. We have reviewed our reporting procedures and have made changes to our review process to ensure this filing error is not repeated.

It was and is now the intent of the Oshkosh Truck Corporation Employees Political Action Committee (OTCEPAC) to adhere strictly to all federal campaign finance laws. This letter and enclosure constitutes our response to the FEC s letter dated September 5, 2007.

Sincerely,

David Sagehorn
Treasurer
Oshkosh Truck Corporation Employees
Political Action Committee
