Reference: October Monthly Report (9/1/00 to 9/30/00)

Dear Mr. Walker:

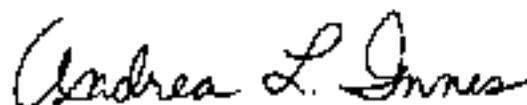

As noted today in our telephone conversation, your letter dated January 23, 2001 — in which you raise questions about certain information contained in the above-referenced report — was received in our office on January 30 as we were finalizing our year end report. Your letter has prompted the thorough re-examination of our 2000 reports, and we have identified several errors and discrepancies in data entry as well as some questions about why certain congressional district information in our program didn't transfer to the printed page.

I believe we have resolved the issues you raised and are modifying the reports accordingly.

This letter is to confirm that we will be filing the necessary amendments within the next couple of days.

If you have questions or need additional information, I can be reached at 202/463-2645.

Sincerely,

Andrea L. Innes
Treasurer
