Identification Number: C00438754

Reference: Amended Statement of Organization, received 10/18/07

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

-Line 5(e) indicates that your committee is a separate segregated fund. A separate segregated fund is a political committee established, financed, maintained or controlled by a corporation, labor organization, membership organization, cooperative or trade association. While Line 6 states that your committee's apparent connected organization is a corporation entitled "Energy Transfer Partners, L.P.," this entity does not appear to be registered with the Texas Secretary of State Corporate Office.

If your committee is not a separate segregated fund because "Energy Transfer Partners, L.P." does not meet the qualifications of a connected organization (i.e. corporation, labor organization, membership organization, cooperative or trade association), you should not disclose any connected or "parent" organization and should amend your Statement of Organization by checking Line 5(f). Further, if there are no other affiliated committees or organizations with which you share control or financing, please indicate "None" on Line 6. Please amend your Statement of Organization to clarify these apparent discrepancies. 2 U.S.C. §433(b) and 11 CFR §102.2

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action

will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1139.

Sincerely,

*Nicole Della Rocco*
