This report should serve as clarification to the Committee's June Monthly Amended Report as filed March 4, 2005. The reference to the mis-deposited contribution from Webster County Democrats, and shown as a debt in the amount of \$1,200 to the Committee's non-federal account, was made in error. The Committee originally reported in the above referenced amendment that the transfer of the funds would take place on February 7, 2005. The transfer of funds to the Committee's non-federal account occurred on March 15, 2005 and will be reflected in the April Monthly Report.
