Re: Alliance of Arts Advocates, C-00218594,
Administrative Expenses, 1993-94 Election Cycle

Dear Ms. Silcox:

Pursuant to your letter of September 1, 1995, this letter will set forth information with respect to reportable administrative expenses during the 1993-94 election cycle.

The committee is a very small organization that does not have office space, does not have employees or consultants, and does not conduct active operations. It incurs no charges for telephone service or other overhead items. The committee does not actively raise money, and any receipts would be unsolicited. The committee had no receipts during the election cycle. Its operations have been limited to making small contributions from its existing funds and filing reports with the FEC.

The committee's work is done by myself, as Treasurer, and another individual active in the arts who volunteers his time. Please let me know if you have any additional questions.

Sincerely,

William R. White
