REFERENCE: National Draft Ben Carson for President Committee Amended Year-End Report (10/01/2013 12/31/2013); Received 02/03/2014

This responds to your letter dated March 7, 2014 based upon the Federal Election Commissions (the Commission) preliminary review of the amended 2013 Year-End Report of the National Draft Ben Carson for President Committee (the Committee).

As discussed with our FEC analyst during a telephone conference on April 10, 2014, items number 1, 2, and 4 of your letter relate to the fact that the Commission apparently did not receive the Committees earlier report for the quarter ended September 30, 2013. The Committee used BackOffice software, provided by Aristotle International, Inc. to file this report, and had believed it had been received by the Commission. This report for the quarter ended September 30, 2013 was filed again yesterday, April 9, 2014, and we believe it provides the information responsive to items number 1, 2, and 4.

Regarding item number 3, the Committee is in the process of contacting the individuals you identified in order to obtain the additional requested information related to employer and occupation, and will amend its reports based on new information obtained.

If you have any additional comments or require additional information, please let us know.
