

This is in response to FEC letter dated 2/25/09.

The original report showed in Schedule A supporting Line 11(a)(i) in the Year End report (11/25/08-12/31/08) that was described as

"Unitemized Various".

The period amount of \$1615.41 includes contributions from 24 people and the aggregate amount for the year (\$3,744.52) includes

contributions from 44 people.

None of the individual aggregate contributions included in that line added to more than \$200.00 for the calendar year.

We did report contributors separately in the instances when their aggregate contributions exceeded the \$200.00 threshold.

Let me know if you have additional questions.
