RE: PACE of California School Employees Association ? Local, State and Federal Candidates (ID# C00480830) -- Mid-Year Report (01/01/2015 - 06/30/2015)

Dear Ms. Juris,

Our office acts as campaign counsel to the above referenced committee. We are in receipt of your letter dated August 12, 2015 regarding the Mid-Year Report filed by this committee, which questions the calendar year to date total of contributions received by this committee and whether any contributors reach the itemization threshold (more than \$200 per calendar year).

This letter serves to confirm that no contributor has given more than \$200 to this committee during 2015. In addition, no contributor will give more than \$200 to this committee during a calendar year due to this committee's current status as a small contributor committee under California law, which imposes a limit of \$200 per calendar year on all contributions to this type of committee. In the event that this committee does accept a contribution over \$200 during a calendar year from a single source, we will disclose that fact on the campaign reports filed with the Federal Election Commission as required by Federal law.

Please feel free to contact me if you have any additional questions regarding this filing or others.

Sincerely,

Lacey Keys
