

This letter responds to Ms. Laura Sinram s letter dated April 24, 2009 requesting additional information for the 30 Day Post General Report (10/16/08 11/24/2008). Following is our response to each of the 4 items in her letter:

1. In your previous letter requesting additional information for the same reporting period, you asked us to amend the report to include several independent expenditures which were paid after the election date as memo entries on Schedule E (ie, accrued expenses) of the 11/24/2008 report. As you requested, we did amend the report to reflect the accrual of the independent expenditures as of the election date, which totaled the \$11,728.57 referred to in the current request letter.
2. The calendar year to date numbers (Column B) have been corrected on Lines 7, 24, 31 and 32 per the amended report filed on May 21, 2009.
3. Totals listed on Lines 11(a)(i) and 11(a)(ii) have been corrected per the amended report filed on May 21, 2009.
4. The election designations were included on the parent expenditure in our system, but because of an electronic technical issue the allocations to the independent expenditures did not initially reflect the election designation. This has been corrected and is included in the amended report.
