No transfers received from any national party committee were used for volunteer exempt activities. All funds received as transfers from national party committees are held in accounts different from those in which exempt activity disbursements are made. The receipts on Schedule A for Line 17 are for Voter File Purchase. The prices paid for voter file purchases are established using comparable prices charged by other state party committees throughout the country on a per record cost. The exact price paid to the Committee by each entity is determined by multiplying the per record cost by the number of records provided in the file purchased, or a set price for a statewide voter file, also determined by the total number of records included in the file. This is considered the 'usual and normal charge' for the good provided.
