This letter is in response to a request made by Ashley Cater of the FEC for additional information/explanation regarding the Amended 12 Day Pre-General Report (10/01/2010 - 10/13/2010) and the Amended 30 Day Post-General Report (10/14/2010 - 11/22/2010).

The reports are being amended to clarify the donor names for the transfers to the non-federal account made between 10/1/2010 and 11/22/2010.

The deposit amounts are not changing, just the names attached to the transfers.
