Reference: Amended Year-End Report (7/1/05 – 12/31/05), received 4/13/06

Dear Ms. Gorczyca:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule A supporting Line 11(a)(i) of your report discloses receipts identified as "Local 196 Member Payroll Deductions" and "IFPTE AFL-CIO" where the transaction description is "Employee Payroll Deductions." Please be advised that federal regulations require the itemization of all contributions from individuals/persons that aggregate greater than \$200 in the calendar year. Contributions from individuals/persons that aggregate \$200 or less need only be disclosed on Line 11(a)(ii) of the Detailed Summary Page.

Please clarify whether the receipts disclosed on Schedule A includes any contributions that aggregate greater than \$200 from an individual/person in the calendar year. If this is the case, please amend your report by itemizing the contributions from each individual/person on Schedule A. 11 CFR §104.3(a)(2)

-Commission records indicate the name of your political committee is "Int'l Fed of Professional and Technical Engineers Leg. Edu. Action Program - PAC." However, your committee has filed this report(s) using the name "International Federation/Professional". While committees may use

commonly recognized abbreviations on daily communications (i.e. letterhead and committee checks), committee filings such as disclosure reports and amendments must reflect the official name of the connected organization, as well as any abbreviation within its title. 11 CFR §102.14(c) Please amend your report(s) to clarify this apparent discrepancy.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1301.

Sincerely,
