After transitioning to a new Treasurer and in the final reconciliation of this Report, the Committee became aware of a discrepancy between the cash on hand and the actual cash balance in the amount of \$1,185.65, resulting from an unidentified error from a previously filed report. The Committee was not able to identify the source of the discrepancy prior to filing this report, and continues to investigate. The Committee expects to amend one or more prior reports as a result of its investigation. This filed April Quarterly Report accurately reflects the beginning and ending cash balances, and all activity within the reporting period.
