RE: October Quarterly Report

Please note that Schedule E of this report lists payment dates for independent expenditures and the corresponding 24/48 hour notices list dissemination dates for those independent expenditures (except for the notices filed on 7/6 and 7/10, which list payment dates). The dissemination date of each independent expenditure is also listed in the purpose of disbursement field of Schedule E. In addition, some independent expenditures were disclosed as one entry on the 24/48 hour notices because they represented payments to the same vendor for communications disseminated on the date listed on the 24/48 notices.
