Reference: 30 Day Post-General Report (10/19/00 - 11/27/00)

Dear Nick:

In reference to your letter dated September 5, 2001, please be advised that appropriate reports have been amended concerning the "Calendar Year-to-Date" total on the reference report.

On the May 20, 2000, report, a receipt in the amount of \$1,500 from the Johnston Senate Committee was itemized on Schedule A. However, due to a software error, the amount was added to line 11a(ii) Unitemized Receipts. When the software was upgraded for the 30 Day Post-General Report, the amount was automatically moved to line 11a(i) Itemized Receipts.

As per your instructions, all reports affected by this correction have been amended. Please note that the May 20, 2000, report was filed via paper. As per your instructions, the amended report has been filed electronically as a new report, although it is actually an amended report.

If you have any questions regarding these reports, please contact me. Thank you for your assistance and patience as I worked to resolve these software errors.

Kindest Regards,

Jerene B. Guidry
Assistant Treasurer
