In response to the FEC letter dated October 9, 2014, this will confirm that all contributions received and made by the Society for Relief of Distressed and Decayed Pilots Political Action Committee (ID# C00240457), as reported on the PAC's May Monthly Report (4/1/14-4/30/14), were received and made by check, and it is the PAC's practice never to receive or make contributions in cash in any amount. The "cash contribution" designation on the May Monthly Report was used to distinguish the PAC's contributions from contributions of property.
