2001 MAR -2 A 8 46

Dear Mr. Walker:

As per our telephone conversations on February 25 and 26, 2001, please find attached the following:

- Amended Schedule B forms for all reporting periods from 01/01/1999 to present with the listing of the Congressional District for each candidate to whom we contributed.
- Correspondence to various campaign committees requesting refunds of excess contributions made during the past election cycle.

I apologize for these inadvertent errors and trust that these actions will negate any further action.

Sincerely yours,

*Kevin Rooney*

**24 HOUR REPORT ON INDEPENDENT EXPENDITURES**

Any Party Committee or PAC that makes independent expenditures in connection with a special election may have to file a 24 hour report. This reporting requirement will be triggered if the committee makes independent expenditures aggregating \$1,000 or more after the 20th day, but more than 24 hours, before the day of the election. This report is *not* required when a Party Committee or PAC makes a contribution directly to a candidate.

**LABEL**

Committees should affix the peel-off label from the envelope to line 1 of the report. Corrections should be made on the label.

\*These dates indicate the beginning and the end of the reporting period. A reporting period always begins the day after the closing date of the last report filed. If the committee is new and has not previously filed a report, the first report must cover all activity that occurred before the committee registered.

\*\* Reports sent by registered or certified mail must be postmarked by the mailing date; otherwise, they must be received by the filing date.
