RE: 30 Day Post-General Report (10/15/2020-11/23/2020)
Response Due Date: 03/08/2021

We write in response to your letter of February 1, 2021, regarding the Committee?s 30-Day Post-General report. The letter inquires whether the Committee failed to file a 24-hour independent expenditure report and whether the Committee failed to include an independent expenditure on its Post-General report. It did not. The Committee timely and properly reported all independent expenditures on its 24-hour and 3X filings.

The committee filed a 24-hour report on 10/24/20 reporting a 10/22 disbursement to Gumbinner & Davies (transaction ID VQZ94ANB266). This report was accurate in all material respects, except that, due to a software error, the ?Calendar Year to Date? did not include the expenditure at issue, resulting in a ?Calendar Year to Date? figure that was off by \$38,063.80. When the Committee prepared its Post-General report, it identified this discrepancy, and amended the 24-hour report to identify the correct ?Calendar Year to Date? figure. In so doing, the reporting software incorrectly added to the report a second independent expenditure made to Gumbinner & Davies on 10/21 (transaction ID VQZ94ANB258).

This 10/21 independent expenditure had been timely reported to the Commission on a 24-hour report (filed originally on 10/21) and on the Committee?s Post-General report. The inclusion of this transaction on the amended 10/24 24-hour report made it appear as if the Committee made this expenditure twice, resulting in your letter. The Committee will amend the 10/24 24-hour report to remove this duplicate entry.

Should you have any questions, please contact the Committee.

Sincerely,

Diane Evans
Treasurer
