Re: Nebraska Republican Federal Campaign Committee
Identification Number C00032334
June Monthly Report (05/01/10-05/31/10)

This letter is in response to the Committee's letter dated August 6, 2010. The committee requested additional information regarding the following 2 items:

1. A payment for "Insurance Premiums" appears on Schedule H4 supporting Line 21(a). This payment is for a Commercial Insurance Package (for the Corporation) and not for health, dental, life or disability insurance. It is not a fringe benefit for any employee and is therefore paid on the administrative split as overhead for the Party's operations. All fringe benefits (including health, dental, life and disability insurance premiums) are paid for with 100% Federal funds and are reflected on Line 30(b).
2. A payment to an individual for "Accounting/Business" services is reflected on Schedule H4 supporting Line 21(a). This individual is not an employee of the Nebraska Republican Party but rather a vendor operating as a sole proprietor and contracted for these services.

Sincerely,
Jordan McGrain
Executive Director
