Re: June Monthly Report (05/01/2006-05/31/2006)

To Whom It May Concern:

This memo pertains to the letter sent August 30, 2006 requesting additional information on the following three items:

- a. Missing signatures on Schedule E for independent expenditures
- b. Amounts and/or dates of 24hour reports not correlating with that of the corresponding Schedule E on the monthly Form 3X report.
- c. Categorization of advance payments on the Detailed Summary Page supported by line 21(b).

In response to item (a), we will amend the file to reflect the signature on Schedule E.

As for item (b) only the line item "Joanne Tait" did not reconcile. All other independent expenditures correlated to that of their respective 24hour report. We have discovered and confirmed that "Joanne Tait" was incorrectly reported in the 24hour report, however, the Form 3X report reflects the correct information. We have not taken further steps to correct the 24hour report relating to the "Joanne Tait" independent expenditure due to the fact 24hour reports are not amendable.

Lastly for item (c), the negative amounts reflected in line 21(b) are not an advance payment, but offset allocation of payments from line 23 and 24. These offsets were inserted because of the fact these payments in line 23 and 24, which consist of labor expenditures and website endorsements, were in-kind services. In previous reports this procedure has been accepted as the general procedure for offsetting in-kind services.
