Dear Mr. Buckley:

This letter responds to your Request for Additional Information (RAI) dated June 16, 2010 asking for clarification about the adjustment included on Schedule B supporting Line 29 of the original report. Per your conversation with Amy Reynolds on June 21st, you acknowledge that your letter serves to bring the adjustment to light for the public record and that further explanation is not necessary beyond that we have already provided. We will state that the review of our records extending back through 2007 did not reveal that we failed to disclose any federal contributions made by the PAC. More than likely, this is a case of overstating receipts in the past through a series of clerical and unintentional errors, rather than failing to report activity.

I trust that this serves as an adequate response to your request. If you have any further questions, please feel free to contact me.

Sincerely,

Joy E. Chandler
Treasurer
