Reference: October Quarterly Report (07/01/2013 - 09/30/2013)

Dear Mr. Jones:

Meadows for Congress (FEC ID# C00503094) is in receipt of your letter dated November 8, 2013, with respect to the 2013 October Quarterly Report. Please accept this as our response to the FEC's request for additional information.

Due to a data entry error, the previous contributions from the donors referenced in your letter should have been attributed to the 2012 Debt Retirement period but were inadvertently typed as 2014 Primary. The campaign has confirmed the original designation for the donations and has amended the previous report to correctly report the donor's intent.

Please know that Meadows for Congress takes great care to ensure that all reporting requirements are met. If further information is needed, please contact Meadows for Congress at (919) 889-1817.

Sincerely,

Collin McMichael
Treasurer
