Dear Mr. Adams:

On May 20, 1998, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your June 2, 1998, responses are incomplete because you have not provided all the requested information. For these responses to be considered adequate, the following information is still required.

-Please note that committees are required to report the event year-to-date totals of all disbursements for each category of activity or individual event. This *running* event year-to-date total is disclosed after each disbursement is listed. It appears that the committee has listed the same grand total of expenditures for the year for each event after each entry instead of keeping a running total. The running event year-to-date total should be calculated by adding the latest disbursement for a category or event to the previous event year-to-date total for that category or event. Please amend Schedule H4 of the above-mentioned reports to include the running event year-to-date total after each disbursement for the categories of Administrative/Voter Drive, Quayle Event, SW KRP Barbeque, and Wichita Event.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter, please contact Alicia K. Richardson on our toll-free number (800) 424-9530 or our local number (202) 694-1130.

Sincerely,

A handwritten signature in black ink, appearing to read "John D. Gibson". The signature is fluid and cursive, with a long horizontal stroke at the end.
