Due to a software malfunction, the 2005 Mid-Year Report for Drinker Biddle PAC misreported the calendar year-to-date totals for itemized and unitemized receipts on lines 11(a)(i) and 11(a)(ii) of the Detailed Summary Page. These entries in no way affected any other entry in the Mid-Year Report or any other report.

Please find attached an amended 2005 Mid-Year Report that correctly reports the calendar year-to-date totals for itemized and unitemized receipts.

If you have any questions, please let me know.
