Identification Number: C00143867

Reference: October Quarterly Report (7/1/02-9/30/02)

Dear Mr. Mazzilli:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-The beginning cash balance of this report should equal the ending balance of your 2002 July Quarterly Report (4/1/02-6/30/02). Please clarify this discrepancy and amend any subsequent report(s) that may be affected by this correction.

-The totals listed on Lines 6(c), 11(a)(iii), 11(d), 19 and 20, Column B of the Summary and Detailed Summary Page(s) appear to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B totals. Please amend your report and any subsequent reports that may be affected by this correction.

-Schedule B supporting Line 23 discloses contributions to federal candidates for which no election designation has been provided. Please note that if no designation is included in your report, the contributions will be attributed to the next upcoming election for the recipient candidate. Thus, for future reporting purposes, it is in your committee's interest to designate the appropriate election in order to avoid the appearance of excessive contributions made to federal candidates by your committee.

A response or amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.

Sincerely,
