The committee files this Form 99 in response to the commission's letter date June 15th, 2005 regarding the Amended Year End Report filed on 5/31/2005.

This Form 99 is also related to the 2004 Pre-General, 2004 Post-General and 2004 Year-End Amendments filed on July 23rd, 2005.

Please note that in our 2004 Pre-General amendment filed on 5/16/2005 and our 2004 Post-General amendment filed on 5/27/2005, the FDP inadvertently moved canvassing expenses from Schedule H4 to Schedule B. This was based upon a misunderstanding of the current state of the law. In fact, it is our understanding that most of these canvassers were involved in the distribution of materials that neither mentioned federal candidates nor constituted federal election activity. Further, these canvassers were independent contractors and not employees of the FDP.

Those canvassers that were moved to Line 21b that engaged in activity exclusively on behalf of federal candidates remain on Schedule B. However, please note that those activities were not Federal Election Activities as defined in 11 CFR 100.24.

The amendments filed on July 23rd, 2005 correctly reports these expenses on H4.

Based upon these corrections, the FDP has not over-funded the non-federal portion of its allocable activities.
