Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 items:

1. Schedule A of your reports for the 2007 calendar year discloses transfers totaling \$62,596.29 from "Domenici Victory Fund," which is a joint fundraising committee(s) affiliated with your committee. Please be advised that a memo Schedule A must be provided to itemize your committee's share of the gross contributions received through the joint fundraiser(s). The memo schedule should itemize each individual who has contributed an aggregate in excess of \$200 during the calendar year, and provide the amount of unitemized contributions received. In addition, the memo schedule should itemize your committee's share of all contributions from political committees, regardless of amount. Please amend your report by providing the omitted memo schedule(s). 11 CFR §102.17(c)(8)(i)(B)
2. Schedule A supporting Line 15 of your report discloses an offset to an operating expenditure(s) totaling \$1,434.31 from "Darren White for Congress," and "People for Pete Domenici Committee"; however, your report(s) does not appear to disclose a disbursement to this entity. Please provide clarifying information regarding this activity and amend your report(s) if necessary.

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
