FROM: Cheryl Klein, Treasurer, ID Number: C00461368

REFERENCE: RFAI, 4 letters dated November 25, 2014

Item #1) FEC Image# 14330067011

RE: AMENDED YEAR-END REPORT (10/01/2013 – 12/31/2013) RECEIVED 07/14/2014
The RFAI states the totals listed on lines 11(a)(iii) and 11(d), column B appear to be incorrect.

Item #2) FEC Image# 14330067013

RE: AMENDED APRIL QUARTERLY REPORT (01/01/2014 – 03/31/2014)
RECEIVED 10/23/2014
The RFAI states the totals listed on lines 11(a)(iii) and 11(d), column B appear to be incorrect.

Item #3) FEC Image# 14330067015

RE: AMENDED JULY QUARTERLY REPORT (06/05/2014 – 06/30/2014)
RECEIVED 10/23/2014
The RFAI states that Schedule A of the report indicates we may have failed to file one or more of the required 48-hour notices prior to the Primary Election.

Item #4) FEC Image# 14330067018

RE: 12-DAY PRE-GENERAL REPORT (10/01/2014 – 10/15/2014) (FILED 10/23/2014)
RECEIVED 10/23/2014
The RFAI states the loan payment disclosed on Schedule C does not equal the loan payment itemized on Schedule B.

RESPONSES TO ITEMS:

Item #4) Regarding the 12 Day Pre-General report: The loan repayment for the loan from the candidate was not entered correctly in the Finance Database. That has been corrected and an amendment was filed 12/04/14. The repayment should now display correctly.

Item #3) Upon further review, we found that due to clerical error, we did miss filing one 48-hour report. We have filed an amended 48-hour report for the dates July 16- July 17, 2014, to amend the report filed on July 18 which should have included a July 17th contribution.

Items #1 and #2) We have carefully reviewed the Amended Year-End report (FEC received 7/14/14), and the Amended April Quarterly Report (FEC received 10/23/14) to compare the Column B totals for lines 11(a)(iii) and 11(d) in both reports. We cannot find where they don't track with the prior Column B balance, added to the current period Column A amount. Please find below a comparison of the amounts reported for both periods in question.

These amounts are pulled from the amendments on file in the FEC system. If we need to file electronic amendments for the 2013 October Quarterly and the 2013 Year-End reports, please advise. Could the problem be that the amended totals aren't tracking between the paper reports filed (through year-end 2013), and the electronic reports beginning with the Congressional campaign as of 1st Quarter 2014? Please advise if we should file additional amendments or provide any further clarification. (The numbers wouldn't change if we filed electronic amendments for those two periods.) We cannot find where the totals are not correct in the latest reports and amendments that have been filed.

We hope we have adequately addressed the concerns expressed in your June 23, 2014, Request for Additional Information.

Thank you for your consideration.

Sincerely,

/signed/ Cheryl S Klein
