RE: June, July & Post-General Election Reports (5/1/04-5/31/04, 6/1/04-6/30/04, 10/14/04-11/22/04)

Dear Ms. Hodgson:

This letter is in response to your request for additional information related to the disclosure of independent expenditures on Schedule E of the above referenced reports filed by the International Association of Fire Fighters Interested in Registration and Information PAC (IAFF FIREPAC).

The Committee has amended reports spanning the period of the 2004 March Monthly through the 2005 February Monthly to disclose the dates of public dissemination or distribution. Independent expenditures are now fully itemized on Schedule E, or, in the instances where the independent expenditures were publicly disseminated or distributed prior to payment, they are disclosed as memo entries on Schedule E and reflected on Schedule D as well.

With regard to the independent expenditures and their disclosure on 24 and 48-hour reports, the Committee has reviewed its records and concurs with the Commission's interpretation. Any failure to file the appropriate 24 or 48-hour reports was an inadvertent error. Action has been taken to educate staff and improve procedures to insure that this does not happen in the future.

If you have any additional questions, please feel free to contact the Committee.

Sincerely,

Vincent J. Bollon
