Ref: Inquiry letter (1/16/09) for October Quarterly Report (7/1/08-9/30/08)

Dear Mr. Norfleet:

This letter is to respond to your questions regarding expenditures reported in the report referenced above.

We retained Hammond & Associates as fundraising consultant to raise funds for our leadership PAC. We sometimes host events with food and beverage provided to our potential contributors. During this reporting period, we only hosted events to raise funds for ISSA PAC. Should we make expenditures on behalf of specific federal candidates in the future, we will disclose complete information in the appropriate reporting period.

Postage listed on the report is for 20 rolls of 100-stamps we purchased. Like office supplies, we often make purchases in advance and use them periodically. As of today, we still have 19 rolls unused. Should we decide to use these stamps in the future for public communications or any other political purposes, we will furnish additional and necessary information required by FEC.

Should you have any questions, please feel free to contact me at (858) 663-6888. Thank you.

Sincerely yours,

Justin Lee, Treasurer
