Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

-Schedule A supporting Line 17 of your Detailed Summary Page discloses a receipt from "Accounting Adjustment" for \$5,257. In memo text you state, "This report contains an accounting adjustment in the amount of \$5,257.00 to correct a discrepancy between the reported ending balance on the PACs February Monthly FEC Report and the PACs actual cash on hand. An audit of the PAC -- covering the PACs activity during the previous three years -- was conducted in attempt to trace the discrepancy, but the source of the discrepancy could not be identified." Please provide any clarifying information as to the details of this receipt and why this activity was not disclosed on the original report covering the period during which it took place.

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
